

SUYASH DWIVEDI

Aspiring Full Stack Developer | B.Tech Computer Science (Data Science) Student

☎ 8766231749 ✉ suyash.dwivedi121@gmail.com 💻 <https://www.linkedin.com/in/dvdsuyash> 🌐 <https://github.com/dvd-suyash> 📍 Gurgaon

PROFESSIONAL SUMMARY

Detail-oriented [B.Tech](#) Computer Science (Data Science) student with hands-on experience in full-stack web development, front end design, and real-time networking protocols. Proven track record of developing responsive web applications and interactive multiplayer games using JavaScript, Node.js, and WebSockets. Strong team leader and public speaker, demonstrated by securing rank 56 out of 17,000+ teams in a national challenge at IIT Bombay. Seeking a Web Development Internship to build scalable and high-performance applications.

WORK EXPERIENCE

Web Development Intern | Internship
IBM (in collaboration with AKTU)

May 2026 - Present
Remote • Gurgaon

- Developing responsive and interactive web applications under the IBM-AKTU project-based learning initiative.
 - Building clean, semantic, and cross-browser compatible frontend layouts using HTML5, CSS3, and modern ES6+ JavaScript.
 - Implementing state management and component structures to deliver high-quality, user-friendly interface designs.
 - Collaborating in version control environments via Git and GitHub to manage source code, execute merges, and review peer code.
- Technologies / Skills Used :** HTML5, CSS3, JavaScript (ES6+), Git, GitHub, Responsive Design, Node.js

Marketing and Sponsorship Intern | Internship
Entrepreneurship Cell, ABESEC

Aug 2025 - Apr 2026
On-site • Ghaziabad

- Represented ABESEC and E-Cell at IIT Bombay's National Entrepreneurship Challenge, securing Rank 56 out of 17,000+ competing teams nationwide.
 - Spearheaded corporate outreach and sponsorship campaigns, pitching events to local businesses to secure funding.
 - Managed end-to-end logistics and marketing campaigns for 3+ major campus events, increasing registration counts.
 - Acted as the official event anchor and public speaker, hosting audiences of 200+ attendees and receiving high faculty appreciation.
- Technologies / Skills Used :** Public Speaking, Stakeholder Management, Event Execution, Leadership, Team Collaboration

PROJECTS

Real-Time Multiplayer Tag Game

- Designed and built a real-time multiplayer 2D tag game allowing multiple client devices on the same network to connect and play synchronously.
 - Utilized WebSockets to establish low-latency, bi-directional communication between the central host and player clients.
 - Engineered movement physics, collision detection, and block sliding/jumping mechanics using Vanilla JavaScript and HTML5 Canvas.
 - Established custom port routing to handle multiple connection requests on the local host server seamlessly.
- Technologies / Tools Used :** JavaScript (ES6+), WebSockets, Node.js, HTML5 Canvas, CSS3, Localhost

Agora – Debating Society Website

- Built fully responsive showcase website for AGORA (ABESEC's debate society).
 - Developed dynamic event registration cards and society milestone showcases using semantic HTML, custom CSS, and Vanilla JavaScript.
 - Integrated smooth UI animations, active hover states, and intuitive navigation structures to elevate user experience.
 - Structured codebase using modular JS files to enable easy updates for upcoming society recruitments and debates.
- Technologies / Tools Used :** HTML5, CSS3, JavaScript (ES6+), DOM Manipulation, Responsive Web Design

SKILLS

Frameworks & Libraries :	Node.js
Languages :	English, Hindi
Programming Languages :	C, C++, Python, JavaScript, Java
Soft Skills :	Team Leadership, Public Speaking (Orator), Problem Solving, Solution Oriented
Tools & Platforms :	Git, GitHub, Linux, WebSockets

EDUCATION

ABES Engineering College (ABESEC) | Ghaziabad

Jul 2024 - Jul 2028

Bachelor of Technology in Computer Science & Engineering (Data Science)

CGPA : 7.5

- Relevant Coursework: Data Structures & Algorithms (DSA), Database Management Systems (DBMS), Object-Oriented Programming (C++), Web Technologies, Data Science Foundations.
- Co-curricular: Active Member of the College Debating Society (AGORA).
